

ESP Aceiteras

FR Huilier à poignée

DE Metal-Öler

PT Series

OC Series

Product Features

- Complete range of oil dispensing cans in a range of sizes from 125 ml to 1 litre (4 oz. to 1 quart)
- All steel construction, with the body seamless drawn from tin coated sheet in premium powder coated finish
- Metal pump has 2 ball valves for large volume delivery per stroke. The suction valve at the bottom of pump is without spring, which prevents malfunctioning because of sticking valve due to resinous oil

PT Series

The PT series Oil cans have a modern & contemporary design with a dome shaped body. These are the most popularly used Oil Can style all over the world & are available in both Lever Style & Pistol Style. Both oil can types are manufactured with steel pump – powder coated Red - as well as with the deluxe brass pump – powder coated Blue. Oil cans can be supplied with rigid steel, wire braided flexible or both extensions
